Looking for a sit on top that is great for day touring but could be ideal for an overnight too? The new Vector 13 is the rare sit-on-top that paddles like a sit-inside touring craft, giving you the best of both water worlds. Indeed, it's a perfect blend of styles, with sit on top stability and sit in performance. Key features? How about a unique touring backband combined with a comfortable seat pad, adjustable foot braces, an innovative nylon tank well cover with multiple adjustment points and more!

 Sit-on-top
