

NEW for 2012

TETRA™ SERIES

The Tetra is unlike any other Ocean Kayak we have introduced to the market. Sleek and sporty, this low profile craft has clean lines and glides through the water with ease. Equipped with the unique Comfort Hybrid seat back the Tetra is ready to ride the minute you hit the water. Available in the 10' or 12' lengths this kayak is perfect for day trips, kayak angling or a casual paddle after work.

COMFORT HYBRID SEAT BACK

- Easily adjusts so you can find the most comfortable position for your water adventure
- The seat back is attached to the kayak so it won't slide while in use
- Comfortable seat back height for additional lumbar support
- Bungee on the back of the seat back allows you to stow your gear
- Removing the seat back (if necessary) is easy
