Elite 4.5

PROWLER ELITE 4.5

A purpose built fishing kayak.

The Prowler Elite 4.5 has combined all the best features of the Prowler 13 and Prowler 15 and then some.

At 4.5m this kayak has the waterline length to deliver good speed, ideal for battling headwinds. With plenty of below deck storage this kayak is a credible alternative to the traditional sit-in sea kayak for touring and expedition paddles.
