

NEW FOR 2008!

Prowler Trident™ 15

Angler alert! The Prowler family has expanded. Introducing the new Prowler Trident. We flew in professional kayak anglers from all over the world and asked them to give us their wish list. The result – a 15' feature-packed fishing kayak unlike anything you'll find on the market. The Prowler Trident features the couch-like Comfort Plus™ seat back, the Rod Pod™, the Sonar Shield™, a transducer compatible scupper hole and more. If you're looking for the ultimate fishing kayak, look no further – the Prowler Trident is the choice of professional kayak anglers.

Features

- Performance hull combines stability with speed
- Comfort Plus™ seat back
- Molded-in foot wells and roomy cockpit for longer leg capacity
- Oversized tank well for live bait well and crate storage
- Rod Pod™ allows you to store your fishing rods from a seated position
- Unique storage and mounting system incorporated into the Rod Pod™
- First ever Sonar Shield™ provides storage for your fish finder; also while in use the cover acts as a shield from waves and sunlight for easy screen reading
- Transducer compatible scupper
- Large Pro™ hatch featuring the easy to open Cross Lock™ strap system
- Battery bag
